

PDM International Hong Kong is looking for an intern to join their Design Team for a month during March-April 2018.

PDM International HK Limited

- Opportunity to work with a highly successful HK/APAC creative design team
- Work with some of the best MNC's in Hong Kong with APAC project exposure

The Company

PDM International is an International Space Planning & Corporate/Workplace Interior Design Consultancy under Jones Lang LaSalle. Founded in 1997 in Singapore, we now employ 200 people in 11 offices across Asia Pacific: Bangkok, Beijing, Chengdu, Hong Kong, Jakarta, Kuala Lumpur, Seoul, Shanghai and Singapore. Our range of services include: design & build, design consultancy, project management, workplace strategy and change management to a wide variety of top fortune 100 clients. Today, our teams are multi-cultural, multi-lingual and multi-disciplined working in a fun, energetic and vibrant environment. Due to our continued expansion and growth policy, we are constantly looking to engage with skilled, creative, talented and positive people to join our team.

The Candidate

Due to high demand at PDM International we are looking for a creative Intern with strong experience and understanding in Interior Design. They should possess excellent communication skills specifically in English and Cantonese. This is an excellent opportunity were they will get the chance to work on some of the most exciting and creative projects in Hong Kong at present along with some of the most talented designers in the industry. The type of designer we require should not only be creative but must also be confident and proactive.

Duties & Responsibilities

- Support Senior Interior Designers in multiple design projects
- Use software tools such as AutoCAD and SketchUp to produce accurate drawings in a timely manner
- Involve in design or renovation of internal spaces including but not limited to additional works and alterations, furnishings, fixtures and fittings, lighting and color schemes
- Continually researching and building knowledge and communication of global trends and the latest benchmark design

Qualifications/Experience

- Diploma or Bachelor's degree in Interior Design
- Excellent knowledge of the Design process
- Ability to work well in a multi-cultural, multi lingual team environment
- Strong software skills in AutoCAD and SketchUp
- Understand and communicate design ideas quickly and efficiently
- Creative and eager to learn
- Able to work in a fast-paced working environment

We offer attractive salary to successful candidates. Please send your full resume with current & expected salary to June.Ho@ap.jll.com for a confidential discussion.
